21 TO THE HONORABLE COURT AND ALL PARTIES:

WHEREAS, certain disputes arose between the COUNTY and Plaintiffs pertaining to how the regular and overtime rates of pay were determined in the calculation of overtime, after implementation of a new payroll system known as Advantage HRM. Plaintiffs claimed their regular and overtime rates had been improperly calculated and they were underpaid for overtime worked. The period of time at issue includes portions of August 2010 through October 2011; and

1 WHEREAS, on April 11, 2013, Plaintiffs filed the above-captioned putative
 2 collective action lawsuit (hereinafter the “Action”), alleging damages resulting from
 3 violations of the Fair Labor Standards Act’s wage and hours provisions (29 U.S.C. §
 4 216(b)), and named the County of Monterey (“County”) as the Defendant (Docket #1).
 5 May 6, 2013, Defendant filed an Answer, asserting affirmative defenses. (Docket #10);
 6 and

7 WHEREAS, July 12, 2013, as a part of the Court’s Alternative Dispute Resolution
 8 program, the Parties were referred to court-ordered mediation with Alan R. Berkowitz
 9 (Docket #25). Mr. Berkowitz conducted two separate mediation sessions at which the
 10 Parties were represented by counsel and negotiated at arms-length. Plaintiffs were
 11 represented by Josh Konecky of Schneider Wallace Cottrell Konecky LLP, and
 12 Defendant was represented by Janet Holmes, Deputy County Counsel, Office of the
 13 Monterey County Counsel. At the close of the second mediation session on December 3,
 14 2013, Mr. Berkowitz made a mediator’s proposal, which the parties accepted on
 15 December 4, 2013. As a result of the mediation, Plaintiffs and Defendant each wish to
 16 settle and resolve the pending matter in order to avoid the disruption, inconvenience,
 17 burdens, costs, delays and those uncertainties incident to legal proceedings; and

18 WHEREAS, the parties have entered into a Settlement Agreement, a copy of
 19 which is attached hereto as Exhibit A.

20 WHEREAS, the Settlement Agreement provides for aggregate payments equaling
 21 two times the full amount of overtime differentials that are allegedly due to all the
 22 employees at issue in this action in connection with the implementation of the payroll
 23 system known as Advantage HRM. (See ¶¶ 2D & E of Settlement Agreement.)

24 WHEREAS, pursuant to the Settlement Agreement, the parties have stipulated to
 25 the filing of an Amended Complaint that removes allegations of additional “off the
 26 clock” work alleged in the original complaint. The stipulation and Amended Complaint
 27 is filed concurrently with this Stipulation and proposed Order re Dismissal.

28

1 WHEREAS, the Settlement Agreement further allows individuals with claims or
 2 potential claims based on alleged “off the clock” work to pursue such claims in a separate
 3 proceeding, subject to whatever statute of limitations defenses and tolling arguments that
 4 may apply based on the pleadings on file during the pendency of this action. Defendant
 5 maintains that this issue only affects 3 people and is not suitable for class or collective
 6 action treatment; Plaintiffs dispute the number of potentially affected employees, but
 7 agree that it would be in the interests of all sides for this issue to be addressed in a
 8 different proceeding.

9 WHEREAS, the only payments made pursuant to this Settlement Agreement and
 10 covered by the Amended Complaint are those arising from the dispute regarding the
 11 determination of the regular rate of pay in calculating overtime for time already recorded
 12 in the County’s timekeeping and payroll system, for the Probation Officers and Juvenile
 13 Institution Officers described in Paragraph 18 of the Amended Complaint, during the
 14 period of time August 2010 to October 2011.

15 WHEREAS, the Settlement Agreement does not require any Plaintiff or other
 16 employee to execute a release of these or any other claims, notwithstanding the overtime
 17 and penalty payments provided herein.

18 WHEREAS, the total aggregate amount of unpaid overtime calculated to be due to
 19 all the covered employees is \$15,635.12, and the aggregate payments to the employees
 20 will be twice this amount under the Settlement Agreement.

21 WHEREAS, after all payments to the employees, the amount that will remain for
 22 payment to Plaintiffs’ counsel to compensate them for their attorneys’ fees and costs will
 23 be approximately \$49,576.00, and Plaintiffs’ counsel represent that their lodestar exceeds
 24 \$125,000.00.

25 WHEREAS, the parties have agreed by and through their respective counsel that
 26 no motion should be required as to the status of the collective action or this Settlement
 27 because (1) all potential plaintiffs have been paid in full, with penalties, and no release,
 28 for the claims now covered by this lawsuit, (2) there is no release for any other claims

1 that have ever been at issue in this case; (3) there have been no allegations under FRCP
2 23; and (4) the attorney time and expense for both sides in briefing the matter further
3 would outweigh the total amount in dispute for the claims covered by the case;

4 IS IT HEREBY STIPULATED

5 Pursuant to a Settlement Agreement attached, between Plaintiffs DAWN ALLEN,
6 JEFF BOLES, ROGER MCRAE and Defendant COUNTY OF MONTEREY, et al., the
7 parties hereby request that all parties be dismissed with prejudice from the above-entitled
8 action, with each party to bear their own fees and costs.

9 WHEREFORE, IT IS SO STIPULATED.

ORDER

Because the settlement agreement does not require any Plaintiff to release any claim and because Plaintiffs are receiving twice the amount of unpaid overtime calculated to be due to all covered employees, the Court finds it is "a fair and reasonable resolution of a bona fide dispute." *Lynn's Food Stores, Inc. v. U.S. By and Through U.S. Dept. of Labor*, 679 F.2d 1350, 1353 (11th Cir. 1982). The Clerk shall close the case file.

Exhibit A

SETTLEMENT AGREEMENT

This Settlement Agreement (hereinafter, "Agreement") is entered into by and between the following parties ("the Parties"): Plaintiffs Dawn Allen, Jeff Boles and Roger McRae (hereinafter "Plaintiffs") and Defendant County of Monterey (hereinafter "COUNTY" or "Defendant").

RECITALS

A. Plaintiffs were at all pertinent times, and are, employees of the COUNTY, assigned as Probation Officers or Juvenile Institution Officers/Supervisors in the COUNTY's Probation Department

B. Certain disputes arose between the COUNTY and Plaintiffs pertaining to how the regular and overtime rates of pay were determined in the calculation of overtime, after implementation of a new payroll system known as Advantage HRM. Plaintiffs claimed their regular and overtime rates had been improperly calculated and they were underpaid for overtime worked. The period of time at issue is on or about August 2010 through on or about October 2011.

C. On April 11, 2013, Plaintiffs filed a putative collective action lawsuit in federal court, U.S.D.C. Northern District of California (the "Court"), Case No. CV 13-02659 (hereinafter the "Action"), alleging damages resulting from violations of the Fair Labor Standards Act's wage and hours provisions (29 U.S.C. § 216(b)). (Docket #1). The COUNTY was named as the Defendant. May 6, 2013, Defendant filed an Answer, asserting affirmative defenses. (Docket #10).

D. July 12, 2013, as a part of the Court's Alternative Dispute Resolution program, the Parties were referred to court-ordered mediation with Alan R. Berkowitz. Mr. Berkowitz conducted two separate mediation sessions at which the Parties were represented by counsel and negotiated at arms-length. Plaintiffs were represented by Josh Konecky of Schneider Wallace Cottrell Konecky LLP, and Defendant was represented by Janet Holmes, Deputy County Counsel, Office of the Monterey County Counsel. At the close of the second mediation session on December 3, 2013, Mr. Berkowitz made a mediator's proposal, which the parties accepted on December 4, 2013. As a result of the mediation, Plaintiffs and Defendant each wish to settle and resolve the pending matter in order to avoid the disruption, inconvenience, burdens, costs, delays and those uncertainties incident to legal proceedings.

NOW, THEREFORE, in consideration for the promises and terms set forth below, Plaintiffs and the COUNTY do covenant and mutually agree as follows:

COVENANTS

1. **CONSIDERATION.** The parties stipulate to amend the Complaint in the Action to delete Paragraphs 3 and 15, pertaining to allegations of "off the clock" work as a result of "flex

time" issues. A copy of the Amended Complaint is attached as Exhibit A hereto. Individuals with claims or potential claims based on alleged "off the clock" work arising from the facts alleged in Paragraphs 3 and 15 of the original Complaint may pursue such claims if they wish, but the County does not waive statutes of limitations or any other defenses to those claims, except that this Agreement does not affect whatever tolling of the statute of limitations that may apply as a result of the pendency of the claims. Thus, this Settlement Agreement does not settle or resolve any claims that were raised or could have been raised under numbered Paragraphs 3 and 15 in the original Complaint in this Action. Rather, the only payments made pursuant to this Settlement Agreement and covered by the Amended Complaint are those arising from the dispute regarding the determination of the regular rate of pay in calculating overtime for time already recorded in the County's timekeeping and payroll system, for the Probation Officers and Juvenile Institution Officers described in Paragraph 18 of the Amended Complaint, during the period of time August 2010 to October 2011. This settlement also does not require any Plaintiff or employee to execute a release of these or any other claims, notwithstanding the overtime payments as provided herein.

2. Plaintiffs agree to cause a request for dismissal to be filed in United States District Court, Northern District of California, Case No. CV-13-02659 within five (5) days of receipt of the settlement check described below, in exchange for

- A. Payment of overtime wage differentials and penalties due to all current and former employees in the job positions described in Paragraph 18 of the Amended Complaint, who were impacted by the regular rate calculations made by the Advantage HRM system at any time during the period of time on or about August 2010 to on or about October 2011
- B. The amount of overtime owed to each employee covered by Paragraph 18 of the Amended Complaint is set forth on the "Summary Sheet of Probation Employee OT Calculations," attached as Exhibit B to this Settlement Agreement. In calculating the overtime due during the period specified in the preceding paragraph, hours and the corresponding dollar values of County holidays, vacation, compensatory time, paid time off (subject to the provisions of the S Unit MOU) were counted in calculating the regular rate of pay, in addition to the other requirements of FLSA. The County also ensured that pay for all overtime hours are calculated at time and one half.
- C. The County will verify the accuracy of the calculations by using the "80 Hour Calc" Worksheet to cross-check a sample of the adjustments shown on the Summary Sheet of OT Adjustments. The sample consists of each of the overtime adjustments for the ten employees with the largest total adjustments on the Summary Sheet. The County shall provide the results of the cross check to Plaintiffs' counsel within 14 days of the final execution of this agreement, as set forth below. To the extent the cross check indicates discrepancies in the overtime calculations, the parties will meet and confer to determine whether further adjustments need to be made.

- D. On December 20, 2013, the County paid all individuals described in Paragraph 18 of the Amended Complaint, 100% of the amount of back pay calculated under the previous paragraphs (as reflected in the attached Summary Sheet), plus 20% of that amount for penalties. The total amount of these payments was \$15,636.12. The payments are subject to W2 withholding.
- E. No later than 10 days after approval of the settlement and/or dismissal by the District Court, the County will make payment to the client trust account of Schneider Wallace Cottrell Konecky in the amount of \$60,000 in attorneys' fees, costs and expenses, to be designated as follows: Plaintiffs' counsel will designate \$10,424.00 (80% of the amount of the overtime back pay) to the affected employees, to be distributed on a pro rata basis in the same proportion as the overtime back pay payments shown on the Summary Sheet attached as Exhibit B, as additional liquidated damages. The County will provide Plaintiffs' counsel with the full names and last known mailing addresses corresponding to each Employee ID on the Summary Sheet or otherwise facilitate the delivery of checks made by Plaintiffs' counsel to such individuals.
- F. The County has met, or shall meet, with any employee who disputes the amount calculated for his or her overtime payment to explain and verify the calculation. To the extent there is still a dispute, the parties will meet and confer to resolve it in the most expeditious fashion.
- G. The County will restore any Probation Officer's or Juvenile Institution Officer/Supervisor's unused vacation accruals that have been omitted or deleted from such employees' accrual balances in connection with the Advantage HRM transition, or have not fully accrued as a result of the accrual cap reducing from 340 hours to 260 hours during the Advantage HRM transition. To the extent that restoring vacation results in the amount of accrued vacation exceeding the limits (340 hours for supervisors), the normal payout procedures will apply.
- H. As all employees affected by the overtime miscalculation will have already been paid for all overtime due and penalties, and there is no release required of any employees receiving the payments, the parties will jointly request that the Court to permit the settlement to proceed without further notice to employees or an opt in procedure. However, should the Court require a form of notice or other procedure, the parties will make their best efforts to effectuate that procedure in the most efficient and cost effective way.
- I. The parties hereto (Plaintiffs and Defendant) each agree to bear their own costs and fees.

2. NO ADMISSION OF LIABILITY. This Agreement is made in good faith and the

exchange of the consideration described herein does not constitute an admission of any liability on the part of COUNTY regarding the acts or omissions set forth by Plaintiffs and their legal representatives.

3. COUNTERPARTS. This Agreement may be executed as one or more counterparts, and each such counterpart shall be deemed an original for all purposes.

4. MODIFICATION OF AGREEMENT. This Agreement, and any and all parts of it, may be amended, modified, changes or waived only by an express written instrument signed by all Parties (or their successors-in-interest, as appropriate).

5. APPLICABLE LAW. All terms and conditions of this Agreement shall be governed by and interpreted according to the laws of the State of California, without giving effect to any conflict of law or choice of law principles.

6. COOPERATION IN DRAFTING. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.

7. FAIR SETTLEMENT. The Parties and their respective counsel believe and warrant that this Agreement reflects a fair, reasonable, and adequate settlement of the Action and have arrived at this Agreement through arms-length negotiations, taking into account all relevant factors, current or potential.

8. HEADINGS. The descriptive heading of any section or paragraph of this Agreement is included for convenience of reference only and does not constitute a part of this Agreement.

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

DAWN ALLEN, JEFF BOLES, ROGER MCRAE, on behalf of themselves and all others similarly situated,

Case No. CV13-01659

FIRST AMENDED COLLECTIVE CLASS
ACTION COMPLAINT FOR VIOLATIONS
OF FAIR LABOR STANDARDS ACT

COUNTY OF MONTEREY, and DOES 1-50.

JURY TRIAL DEMANDED

Defendants.

Defendant

COUNTY OF MONTEREY, and DOES 1-50.

Defendant

Defendant

1 Plaintiffs Dawn Allen, Jeff Boles, and Roger McRae, on behalf of themselves and all others
2 similarly situated, allege as follows:

3 **NATURE OF THE CASE**

4 1. Plaintiffs work for the Defendant County of Monterey, in the Monterey County Probation
5 Department. Plaintiffs are employed as Probation Officers and Juvenile Institution Officers on an
6 hourly, nonexempt basis for Defendants. They seek to represent other former and current County
7 employees who are similarly situated to them under the Fair Labor Standards Act (“FLSA”), 29 U.S.C. §
8 201, et seq. Plaintiffs seek all wages owed, liquidated damages, penalties, interest, attorneys’ fees, and
9 costs.

10 2. The County of Monterey has relied upon a computerized payroll program that incorrectly
11 calculates the Plaintiffs’ overtime wages even when there is no dispute as to the actual wages owed. As
12 a result, the County has regularly paid Plaintiffs and other similarly situated employees substantially less
13 wages than what is concededly owed.

14 3. Defendants have known about and openly acknowledged the systemic failure to
15 compensate its employees, including its miscalculations of the Plaintiffs’ overtime rate of pay, yet
16 Defendants still have not remedied the problems with the computer program and still have not paid back
17 the employees the wages that are due.

18 **JURISDICTION AND VENUE**

19 4. The FLSA authorizes private rights of action to recover damages for violation of the
20 FLSA’s wage and hour provisions. 29 U.S.C. § 216(b). This Court has original federal question
21 jurisdiction under 28 U.S.C. § 1331.

22 5. Venue is proper in this District under 28 U.S.C. § 1391 because Defendants conduct
23 substantial business in this District and a substantial part of the acts and/or omissions giving rise to the
24 claims occurred in this District.

25 **PARTIES**

26 6. Plaintiff Roger McRae is a citizen and resident of Monterey County, California. He
27 currently is employed by Defendants in the Monterey County Probation Department as a Juvenile
28 Institution Supervisor, which is a non-exempt position paid on an hourly basis.

7. Plaintiff Jeff Boles is a citizen and resident of Monterey County, California. He currently is employed by Defendants in the Monterey County Probation Department as a Juvenile Institution Supervisor, which is a non-exempt position paid on an hourly basis.

8. Plaintiff Dawn Allen is a citizen and resident of Monterey County, California. She currently is employed by Defendants in the Monterey County Probation Department as a Probation Officer, which is a non-exempt position paid on an hourly basis.

9. Defendant County of Monterey is, and at all times hereby was, a political subdivision of the State of California, organized under the laws of California, and a public agency within the meaning of Section 3(x) of the FLSA. 29 U.S.C. § 203(x).

10. Defendant County of Monterey is, and at all times hereby was, engaged in related activities performed through unified operation or common control for a common business purpose in conjunction with the activities of a public agency. Defendant County of Monterey is, and at all times material hereto was, an enterprise within the meaning of Section 3(r) of the FLSA, 29 U.S.C. § 203(r).

11. Defendant County of Monterey has, and at all times material hereto had, engaged in commerce or in the production of goods for commerce, or had employees handling, selling, or otherwise working on goods or materials such as motor vehicles, petroleum products, food, and weapons that have been moved or produced for commerce. Defendant County of Monterey is, and at all times material hereto was, an enterprise engaged in commerce or the production of goods for commerce within the meaning of Section 3(s) of the FLSA. 29 U.S.C. § 203(s).

12. Plaintiffs are informed and believe and thereon allege that each and every act and omission alleged herein were performed by, and/or attributable to, all Defendants, each acting as agents and/or employees, and/or under the direction and control of each of the other Defendants, and that said acts and failures to act were within the course and scope of said agency, employment and/or direction and control.

13. Plaintiffs use the terms "Defendant," "Defendants," and "the County" to refer collectively to all Defendants.

FACTS

14. Defendants employ Deputy Probation Officers I/II/III, Juvenile Institution Supervisors,

1 Senior Juvenile Institution Officers, and Juvenile Institution Officers I/II; and Juvenile Institution
 2 Officers, including Plaintiffs, on a nonexempt, hourly basis. These employees work in programs and
 3 facilities maintained, operated, and controlled by the Monterey County Probation Department. Plaintiffs
 4 work regularly scheduled shifts of upward of 10 and 12 hours per day, and over 40 hours in a week. In
 5 addition, some work additional hours transporting individuals in detention and/or under probation.

6 15. In or about January 2010, Defendants implemented a new computer system to calculate
 7 overtime wages owed to the County employees, including Plaintiffs and other similarly situated
 8 employees of the Monterey County Probation Department. Unfortunately, the computer system was not
 9 programmed correctly and therefore does not calculate the overtime to be paid consistently with the
 10 overtime wages that are actually due.

11 16. Defendants have been aware of these systemic calculation errors for approximately two
 12 years. The County has acknowledged that the overtime has been calculated incorrectly and underpaid as
 13 a result of the deficient computer program. Nonetheless, the County still has not rectified the problem
 14 or paid the employees back the wages they are owed.

15 17. Defendants' failure to compensate employees for all the wages earned is unlawful.
 16 Plaintiffs and the proposed collective and class members are entitled to recover wages, liquidated
 17 damages, interests, attorneys' fees and costs, for these violations of law.

18 **COLLECTIVE ACTION ALLEGATIONS**

19 18. Plaintiffs bring this case as an "opt-in" collective action pursuant to the Fair Labor
 20 Standards Act, 29 U.S.C. § 216(b), on behalf of themselves and a proposed collective of similarly
 21 situated employees defined as:

22 All individuals who are currently employed, or formerly have been
 23 employed, by Defendants in the Monterey County Probation Department
 24 as non-exempt employees in the job classifications of Deputy Probation
 25 Officer I/II/III; Juvenile Institution Supervisor; Senior Juvenile Institution
 Officer; Juvenile Institution Officer I/II, or equivalent positions, within the
 last three years (the "FLSA Collective").

26 19. Plaintiffs, individually, and on behalf of other similarly situated employees defined
 27 above, seek relief on a collective basis challenging Defendants' policy and practice of failing to
 28 accurately compute or compensate for all hours worked, including overtime compensation. The number

1 and identity of other similarly situated persons yet to opt-in and consent to be party-plaintiffs may be
 2 determined from the records of Defendants, and potential opt-ins may be easily and quickly notified of
 3 the pendency of this action.

4 **FIRST CAUSE OF ACTION**

5 **Violations of the Fair Labor Standards Act**
 (By the FLSA Collective and Against All Defendants)

6 20. Plaintiffs, on behalf of themselves and all others similarly situated, reallege as if fully
 7 set forth, each and every allegation set forth herein. Plaintiffs' consents to join this action seeking
 8 unpaid wages are attached herewith as Exhibit A.

9 21. At all times material herein, Plaintiffs have been entitled to the rights, protections, and
 10 benefits provided under the FLSA, 29 U.S.C. §§ 201, *et seq.*

11 22. The FLSA requires, among other things, that employers whose employees are engaged in
 12 interstate commerce, engaged in the production of goods for commerce, or employed in an enterprise
 13 engaged in commerce or in the production of goods for commerce pay employees the minimum wage
 14 for all time worked and overtime pay at their regular rate of pay. 29 U.S.C. §§ 206(a)(1) and 207(a)(1).
 15 Defendants are subject to the requirements of the FLSA.

16 23. Defendants have violated the FLSA by failing to accurately compute the wages due to
 17 their nonexempt employees and to pay them all amounts owing, including overtime pay.

18 24. Plaintiffs and all similarly situated employees are victims of a uniform compensation
 19 policy. This uniform policy, in violation of the FLSA, has been applied to all members of the FLSA
 20 collective.

21 25. Plaintiffs and all similarly situated employees are entitled to damages equal to the
 22 mandated pay and overtime premium pay within the three years preceding the filing of this Complaint,
 23 plus periods of equitable tolling, because Defendants have acted willfully and knew or showed reckless
 24 disregard of whether their conduct was prohibited by the FLSA.

25 26. Defendants have acted neither in good faith nor with reasonable grounds to believe that
 26 their actions and omissions were not a violation of the FLSA, and as a result thereof, Plaintiffs and other
 27 similarly situated employees are entitled to recover an award of liquidated damages in an amount equal
 28 to the amount of unpaid overtime pay, and/or prejudgment interest at the applicable rate. 29 U.S.C.

1 216(b).

2 27. The foregoing conduct, as alleged, constitutes a willful violation of the FLSA within the
3 meaning of 29 U.S.C. § 255(a).

4 28. As a result of the aforesaid violations of the FLSA's overtime pay provisions,
5 Defendants' have unlawfully withheld overtime compensation to Plaintiffs and all similarly situated
6 employees. Accordingly, Defendants are liable for unpaid wages, together with an amount equal as
7 liquidated damages, interest, attorneys' fees and costs of this action.

8 **PRAYER FOR RELIEF**

9 WHEREFORE, Plaintiffs prays for relief as follows:

10 1. For an order certifying that the First Count of this Complaint may be maintained as a
11 collective action pursuant to 29 U.S.C. § 216(b) and that prompt notice of this action be issued to
12 potential members of the opt-in FLSA Collective, apprising them of the pendency of this action, and
13 permitting them to assert timely FLSA claims;

14 2. For an order awarding Plaintiffs and the FLSA Collective compensatory damages plus
15 liquidated damages, including lost wages, earnings, and other employee benefits and all other sums of
16 money owed to Plaintiffs and members of the FLSA Collective, together with interest on these amounts;

17 3. For an order directing Defendants to identify, locate and restore to all current and former
18 employees the restitution they are due for lost wages, earnings, and other employee benefits and all other
